RETREET REPLANTS EVANS!

RETREET, a 501(c)(3) organization, provides disaster relief to affected communities on a local, national, and international level by leading volunteers (“RETREETers”) in replanting communities, one home at a time.

Memorial Day Weekend, 2014, RETREET will visit Northern Colorado to plant trees for those rebuilding their community in the wake of the 2013 floods. Up to 30 RETREETers from all over North America will plant native trees, at no cost, for residents of Evans.

If you want to learn more about the organization or would like your home to be included on the planting list, please visit their website (www.retreet.org). You can also send the following information to trees@retreet.org:
